

HIGHLAND ATHLETIC BOOSTERS

EARN MONEY FOR YOUR TEAM !

ATHLETIC TEAM MEMBERSHIP INCENTIVE PROGRAM

The Highland Athletic Boosters are looking to increase membership for the 2018-2019 season. Due to the anticipated increase in requests, we need your help in increasing booster club membership (which is the primary funding for our program).

As an incentive for the 2018-2019 year, we will again offer the membership incentive program that will award additional funds to your team.

- If your team obtains 25% of the total team membership at the GOLD LEVEL, your team will receive \$200 in discretionary funding. *(CLUB 100 Members are included as GOLD Level)*
- If your team obtains 50% of the total team membership at the GOLD LEVEL, your team will receive \$400 in discretionary funding. *(CLUB 100 Members are included as GOLD Level)*
- If your team obtains 75% of the total team membership at the GOLD LEVEL, your team will receive \$600 in discretionary funding. *(CLUB 100 Members are included as GOLD Level)*

We will also take into consideration the teams that have representation at the monthly meetings and dutifully help with Concessions and other Booster Events. The team that has the highest percentage and involvement with the Boosters may receive an additional \$400 in discretionary funding.

Our meetings are held monthly and are posted on the Highland Website under the “Boosters” tab

(<http://www.highlandschools.org/Content/30>)

The Mission of the Highland Athletic Boosters is to provide support through services, programs and funding to the Hornet Athletic community.
