A change in Ohio law (O.R.C. § 3313.48) replaces the minimum number of days in a school year with a minimum number of hours and eliminates the five statutory calamity days, effective July 1, 2014. House Bill 59 changes the minimum school year from 182 days to 910 hours for all-day kindergarten and grades one through six, and 1,001 hours for grades seven through 12. School districts will be permitted to count any time over the minimum hour requirement towards missed time due to calamity.
