Dear Choir families,

The Highland Choir Boosters is organized for the purpose of promoting and providing administrative, financial and moral support for the benefit of the Vocal Music Program. Your choir student has unique opportunities to participate in many rewarding vocal experiences, such as: singing on stage at a choir program, participating in the High School musical, or competing for superior ratings at District and State choir contests. The boosters are a vital organization that financially supports the Vocal Music Department in the purchasing of the following expenses: choir attire, sheet music, sound system repair and upgrade, choir contest application fees, music scholarship awards, and more! There are different activities through-out the school year that the boosters host in order to raise money. The boosters are in **need of your help**. Please take a moment to fill out the Volunteer Form below to show your support. You do **not** need to be a Booster member to volunteer. Forms can be sent in to the music room with your choir student or mailed to:
