

# SHARON ARRIVAL/DISMISSAL

*For the first day of school - please place a sheet of paper with each child's first and last name IN LARGE PRINT on your front dash and have driver's license ready to show staff. After the first day, you must use the school issued placards (sent home the first day in green folders). If you are picking your child up - please communicate this with your child's classroom teacher.*

***\*Latchkey Drop-off & Pick-Up is at the outside Gym Doors at the back of the building.***

Car riders will be dropped off and picked up at the back of the school this year. This will allow for more cars in the line on school property and with less on Ridge Road.

## **ARRIVAL CAR RIDERS**

Students may be dropped off between 8:45-8:55 AM. Latchkey is available for any family needing to drop-off children earlier than 8:45.

Please drive to the back of the building, make a right turn loop and pull up to the cones as directed by staff members in order for more than one car to unload at a time. Children should exit the car from the driver side door and enter the building. This will allow traffic to flow without backup. All cars should drive on, make the turn at the north end of the building, and exit the parking lot on Ridge Road.

Please be patient in the car line, have children ready to exit, and stay alert to other cars and pedestrians. Thanks for your help to keep all of our students and families safe!

## **DISMISSAL CAR RIDERS**

All students in the school will be given two placard pick up tags on the first day of school. All car riders must use the placard every day at pick up time. This placard should be placed on the center front dash of the car picking up the student. The staff person on duty will recognize the placard and allow the student(s) to go to the correct car.

If your student is normally a bus rider, but you are going to pick up the student for the day, you must call the school before 2:30 PM or write a note so that your child does not ride the bus. You must use the school issued placard when picking up your child. There will be no sign-out inside the school.

Car riders will be dismissed for pick up at 3:15 PM. Students will be released from the back, playground doors, the same location as AM arrival. Children will enter the car on the driver side. Cars will then drive on, make the turn at the north end of the building, and exit the parking lot on Ridge Road.

Please be patient in the car line, display your school issued placard, and stay alert to other cars and pedestrians. Thanks for your help to keep all of our students and families safe!
