

SHARON FAMILY BULLETIN

WE LEAD WE LEARN WE GROW

We are so proud of our teachers, students, and families synergizing to make the most of learning during this challenging time. We will continue with our Distance Learning Plans through the end of the year. However, during the week of May 18 – 22, teachers may begin to wrap things up, scale back on the day-to-day requirements, but continue to provide specific review and/or enrichment activities. This is also the time when teachers will collect incomplete work from students, continue working with small groups, provide extra attention/instruction to those students who need it. The days of May 26, 27 and 28 will be used to finish up anything that remains undone. May 28 is the “official” last day of instruction for students.

Sharon Student Desk & Locker Clean Out/Pick-Up of Personal Belongings

On Tuesday, May 19, Wednesday, May 20 and Thursday, May 21, students (with one parent/guardian) may return to school to clean out their desks, lockers and pick up any personal belongings that remain at school.

To provide as much flexibility as we can for families, while limiting the overall number of people in our buildings at one time, the following schedule has been developed. Each portion of the alphabet has been scheduled at different times over the course of three days. In order to adhere to proper physical distancing protocols, we ask that you come on only one of the dates and times that corresponds to your child’s last name.
