Section 2. Authorized Principal Amount and Purpose; Application of Proceeds. This Board determines that it is necessary and in the best interest of the School District to issue bonds of the School District in the maximum aggregate principal amount of $57,100,000 (the Bonds) for the purpose of constructing, furnishing and equipping new elementary schools, renovating, remodeling, reconstructing, adding to, furnishing, equipping, and otherwise improving buildings and facilities, including the existing middle school, and acquiring, clearing, preparing, equipping and otherwise improving real estate, for School District purposes. The Bonds shall be designated “School Improvement Bonds, Series 2018A” or otherwise as determined by the Treasurer in the Certificate of Award. The Bonds shall be the first installment of bonds issued under the authority referred to in the preambles. Anticipatory securities have not been issued with respect to the specific series of Bonds authorized by this Resolution, although they have been issues with respect to other voter-approved securities as set forth in the preambles hereto.

Subject to the limitations set forth in this Resolution, the aggregate principal amount of Bonds to be issued, the principal maturities of and the principal payment schedule for the Bonds, the interest rate or rates or compounding interest rate or rates that the Bonds shall bear and certain other
terms and provisions of the Bonds identified in this Resolution are subject to further specification or
determination in the Certificate of Award upon the finalization of the terms and provisions of the
Bonds. The aggregate principal amount of Bonds to be issued, as so specified in the Certificate of
Award, shall be the amount determined by the Treasurer to be necessary at the time to carry out the
purpose for which the Bonds are to be issued, provided that such amount shall not exceed
$57,100,000.

The proceeds from the sale of the Bonds, except any premium and accrued interest, shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. Any portion of those proceeds representing premium actually received by the District and accrued interest shall be paid into the Bond Retirement Fund.

Section 3. Denominations; Dating; Principal and Interest Payment and Redemption
Provisions. The Bonds shall be issued as fully registered bonds, in Authorized Denominations, but
in no case as to a particular maturity date exceeding the principal amount maturing on that date.
The respective principal amounts of the Bonds to be issued as Current Interest Bonds and Capital
Appreciation Bonds (if any Bonds are to be issued as Capital Appreciation Bonds) shall be
determined by the Treasurer in the Certificate of Award, having due regard to the best interest of
and financial advantages to the School District. Unless otherwise specified by the Treasurer in
the Certificate of Award, the Bonds shall be dated as of the Closing Date. Notwithstanding any
provision herein to the contrary, Bonds maturing on any one date may bear interest at different
rates and may be issued separately as Current Interest Bonds and Capital Appreciation Bonds.

(a) Interest Rates and Interest Payment Dates. The Current Interest Bonds shall bear
interest at the rate or rates of interest per year (computed on the basis of a 360-day year
consisting of twelve 30-day months), as shall be specified by the Treasurer (subject to
subsection (c) of this Section) in the Certificate of Award. Interest on the Current Interest Bonds
shall be payable on each Interest Payment Date until the principal amount has been paid or
provided for. The Current Interest Bonds shall bear interest from the most recent date to which
interest has been paid or provided for or, if no interest has been paid or provided for, from their
date.

Any Capital Appreciation Bonds shall bear interest from the Closing Date at the
compounding rate or rates of interest per year (computed on the basis of a 360-day year
consisting of twelve 30-day months), accrued and compounded on each Interest Accretion Date
and payable at maturity, that will result in the aggregate Maturity Amounts payable at maturity,
as shall be specified by the Treasurer in the Certificate of Award. The total interest accrued on
any Capital Appreciation Bond as of any particular date shall be an amount equal to the amount
by which the Compound Accreted Amount of that Capital Appreciation Bond as of that date
exceeds the principal amount of that Capital Appreciation Bond.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to
Mandatory Redemption Requirements, in the case of Term Bonds, or Mandatory Sinking Fund
Requirements, in the case of Sinking Fund Bonds, on the Principal Payment Dates and in
principal amounts as shall be determined by the Treasurer in the Certificate of Award (subject to
subsection (c) of this Section), consistent with the Treasurer's determination of the best interest of and financial advantages to the School District.

Consistent with the foregoing and in accordance with the Treasurer's determination of the best interest of and financial advantages to the School District, the Treasurer shall specify in the Certificate of Award, among other things, (i) the aggregate principal amount of Bonds to be issued, (ii) the aggregate principal amount of Bonds to be issued as Current Interest Bonds, (iii) the aggregate principal amount of Current Interest Bonds to be issued as Serial Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date, (iv) the aggregate principal amount of Current Interest Bonds to be issued as Term Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Dates on which Term Bonds shall be subject to Mandatory Redemption Requirements and the principal amount thereof that shall be payable pursuant to Mandatory Redemption Requirements on each Mandatory Redemption Date, (v) the aggregate principal amount of Current Interest Bonds to be issued as Sinking Fund Bonds, the Principal Payment Date or Dates on which Mandatory Sinking Fund Requirements shall be met by a payment to the Bond Registrar for deposit to a Sinking Fund Account and the Mandatory Sinking Fund Requirement to be so met on each such Principal Payment Date, and (vi) the aggregate principal amount of any Bonds to be issued as Capital Appreciation Bonds and the corresponding aggregate Maturity Amount thereof, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, and the principal amount and corresponding Maturity Amount thereof that shall be payable on each such Principal Payment Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Current Interest Bonds and the compounding rate or rates of interest per year to be borne by any Capital Appreciation Bonds, and the principal amount of Current Interest Bonds maturing or payable pursuant to Mandatory Sinking Fund Requirements or Mandatory Redemption Requirements on each Principal Payment Date and the Maturity Amount of any Capital Appreciation Bonds payable on each Principal Payment Date, shall be such that (i) the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other such fiscal year, and (ii) the true interest cost of the Bonds shall not exceed 6.00%.

(d) Payment of Debt Charges. The Debt Charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal (excluding any Mandatory Sinking Fund Requirements) of and any premium on the Current Interest Bonds, and principal of and interest on any Capital Appreciation Bonds, shall be payable when due upon presentation and surrender of the Bonds (except as otherwise provided herein) at the designated corporate trust office of the Bond Registrar. Interest on a Current Interest Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing on the Bond Register at the close of business on the 15th day preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book-entry system, principal (excluding any Mandatory Sinking Fund Requirements) of and
interest and any premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Treasurer, in the name and on behalf of the School District, in connection with the book-entry system.

(e) **Redemption Provisions.** The Capital Appreciation Bonds, if any, shall not be subject to redemption prior to maturity. Unless otherwise specified by the Treasurer in the Certificate of Award, consistently with that officer’s determination of the best interest of and financial advantages to the School District, the Current Interest Bonds shall be subject to redemption prior to stated maturity as follows:

(i) **Mandatory Sinking Fund Redemption of Term Bonds Pursuant to Mandatory Redemption Requirements.** If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to Mandatory Redemption Requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Dates, for which provision is made in the Certificate of Award (such Dates and amounts being the Mandatory Redemption Requirements).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on the Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that Mandatory Redemption Date the principal amount of Term Bonds payable on that Mandatory Redemption Date pursuant to Mandatory Redemption Requirements (less the amount of any credit as hereinafter provided).

The School District shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Redemption Requirement of the School District, as specified by the Treasurer, for Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate as the Term Bonds so delivered. That option shall be exercised by the School District on or before the 45th day preceding any Mandatory Redemption Date with respect to which the School District wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Treasurer, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate. If the certificate is not timely furnished to the Bond Registrar, the then current Mandatory Redemption Requirement shall not be reduced. A credit against the then current or any subsequent Mandatory Redemption Requirement, as specified by the Treasurer, also shall be received by the School District for any Term Bonds that prior thereto have been redeemed (other than through the operation of the applicable Mandatory Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Redemption Requirements, as specified by the Treasurer, for
Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) **Optional Redemption.** The Current Interest Bonds of the maturities, if any, specified in the Certificate of Award (the Callable Bonds) shall be subject to redemption by and at the sole option of the School District, in whole or in part (as selected by the Board) in whole multiples of $5,000, on the dates, in the years and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Treasurer in the Certificate of Award; provided that (i) the earliest optional redemption date shall not be more than 10½ years after the Closing Date and (ii) the redemption price for the earliest optional redemption date shall not be greater than 102%.

If determined by the Treasurer in the Certificate of Award, the Callable Bonds shall also be subject to redemption by and at the sole option of the School District, in whole or in part in whole multiples of $5,000, on any date prior to the earliest optional redemption date at which the optional redemption price is 100% as determined by the Treasurer pursuant to the preceding paragraph (the Par Call Date), at a make-whole redemption price (the Make Whole Redemption Price), designed to make the owners of the Callable Bonds to be redeemed whole for the early redemption. The Treasurer shall determine the method for calculating the Make Whole Redemption Price in the Certificate of Award, provided that the Make-Whole Redemption Price shall not exceed 110% of the principal amount of the Callable Bonds to be redeemed without further action by this Board.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Treasurer to the Bond Registrar, given upon the direction of this Board through a resolution. That notice shall specify the redemption date and the principal amount of each maturity of Bonds and interest rate within a maturity to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) **Partial Redemption.** If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity or interest rate within a maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates selected by the School District. If fewer than all of the Bonds of a single maturity and interest rate are to be redeemed, the selection of Bonds of that maturity and interest rate to be redeemed, or portions thereof in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of
redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the School District by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15th day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to Sections 3(d) and 5, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds; provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the School District to the extent not required for the payment of the Bonds called for redemption.

(f) Mandatory Sinking Fund Requirements. The aggregate of the moneys to be deposited with the Bond Registrar for payment of Debt Charges on each Principal Payment Date
shall include, with respect to any Sinking Fund Bonds, an amount sufficient to meet the Mandatory Sinking Fund Requirement for deposit to the Sinking Fund Account on that Principal Payment Date (less a credit for any amount by which the balance in the Sinking Fund Account on that Principal Payment Date, determined as provided in the Bond Registrar Agreement, exceeds the sum of all Mandatory Sinking Fund Requirements for prior Principal Payment Dates).

Section 4. Execution and Authentication of Bonds: Appointment of Bond Registrar. The Bonds shall be signed by the President or Vice President of this Board and the Treasurer, in the name of the School District and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Treasurer, shall be numbered as determined by the Treasurer in order to distinguish each Bond from any other Bond and to distinguish the Current Interest Bonds from any Capital Appreciation Bonds, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of Chapter 133 of the Revised Code, the approval of the electors at the election identified in the first preamble hereto, this Resolution and the Certificate of Award.

The Treasurer is authorized to appoint and designate in the Certificate of Award the initial Bond Registrar after determining that such bank or trust company will not endanger the funds or securities of the School District and that proper procedures and safeguards are available for that purpose. The Treasurer shall sign and deliver, in the name and on behalf of the School District, the Bond Registrar Agreement between or among the School District, the Bond Registrar and, if applicable, the Ohio Department of Education, in substantially the form as is now on file with the Treasurer. The Bond Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved by the Treasurer on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Bond Registrar Agreement or amendments thereto. The Treasurer shall provide for payment of services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Bond Purchase Agreement, if applicable, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Treasurer on behalf of the School District. The same person need not sign the certificate of authentication on all of the Bonds.
Section 5. Registration; Transfer and Exchange; Book-Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the School District will cause the Bond Registrar to maintain and keep the Bond Register at its designated corporate trust office. Subject to any and all other pertinent provisions of this Resolution, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the Debt Charges on any Bond shall be made only to or upon the order of that person; neither the School District nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the School District’s liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated corporate trust office of the Bond Registrar, together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the School District are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the School District. In all cases of Bonds exchanged or transferred, the School District shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the School District and the Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The School District or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the School District, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the School District nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book-Entry System. Notwithstanding any other provisions of this Resolution, if the Treasurer determines in the Certificate of Award that it is in the best interest of and financially advantageous to the School District, the Bonds may be issued in book-entry form in accordance with the following provisions of this Section.
The Bonds may be issued to a Depository for use in a book-entry system and, if and so long as a book-entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and each interest rate within a maturity and registered in the name of the Depository or its nominee, as registered owner, and deposited with and maintained in the custody of the Depository or its designated agent which may be the Bond Registrar; (ii) the book-entry interest owners of Bonds in book-entry form shall not have any right to receive Bonds in the form of physical securities or certificates; (iii) ownership of book-entry interests in Bonds in book-entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book-entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the School District.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Treasurer may attempt to establish a securities depository/book-entry relationship with another qualified Depository. If the Treasurer does not or is unable to do so, the Treasurer, after making provision for notification of the book-entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form to be authenticated by the Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of School District action or inaction, of those persons requesting such issuance.

The Treasurer is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the School District, that the Treasurer determines to be necessary in connection with a book-entry system for the Bonds.

(a) To the Original Purchaser. The Bonds shall be sold at private sale by the Treasurer to the Original Purchaser at a purchase price not less than 97% of the aggregate principal amount thereof, as shall be specified in the Certificate of Award, plus any accrued interest on the Current Interest Bonds from their date to the Closing Date, and with and upon such other terms as are required or authorized by this Resolution to be specified in the Certificate of Award, in accordance with law, the provisions of this Resolution and the Bond Purchase Agreement.

In accordance with the Treasurer's determination of the best interest of the School District and based on conditions then existing in the financial markets, the Treasurer shall sign and deliver the Certificate of Award to determine and specify the interest rate or rates the Bonds are to bear, the final purchase price of the Bonds and other final terms of the Bonds in accordance with the provisions of this Resolution and to evidence the sale of the Bonds to the Original Purchaser and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The President and Vice President of this Board, the Treasurer, the Superintendent and other School District officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments (including but not limited to agreements as necessary or appropriate for the holding, investment and
application of any money deposited in the Bond Retirement Fund pursuant to Mandatory Sinking Fund Requirements) and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Resolution.

The Treasurer is authorized to sign and deliver, in the name and on behalf of the School District, the Bond Purchase Agreement between the School District and the Original Purchaser, in substantially the form as is now on file with the Treasurer, providing for the sale to, and the purchase by, the Original Purchaser of the Bonds. The Bond Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved on behalf of the School District by the Treasurer, all of which shall be conclusively evidenced by the Treasurer's signing of the Bond Purchase Agreement or amendments thereto.

(b) Primary Offering Disclosure – Official Statement. The President or Vice-President and Treasurer and the Superintendent, on behalf of the School District and in their official capacities, are authorized to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, an official statement or official statements in connection with the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when an official statement is to be “deemed final” (except for permitted omissions) by the School District or is a final official statement for purposes of Sections (b)(1), (3) and (4) of the Rule, (iii) use and distribute, or authorize the use and distribution of, an official statement and any supplements thereto in connection with the original issuance of the Bonds, and (iv) complete and sign an official statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of an official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Bonds, the School District agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The President or Vice President of this Board, the Treasurer and the Superintendent are authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the School District, in substantially the form as is now on file with the Treasurer. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this resolution and not substantially adverse to the School District and that are approved by the President or Vice President of this Board, the Treasurer and the Superintendent on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Treasurer is further authorized and directed to establish procedures in order to ensure compliance by the School District with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Treasurer shall consult with and obtain legal advice from, as appropriate, the bond counsel or other qualified independent special counsel selected by the School District. The Treasurer, acting in the name and on behalf of the School District, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the
School District of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

(d) **Application for Ratings, Bond Insurance and/or Other Credit Enhancement; Financing Costs.** If, in the judgment of the Treasurer the filing of an application for (i) a rating on the Bonds by one or more nationally recognized rating agencies, or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on all or a portion of the Bonds, is in the best interest of and financially advantageous to this School District, the Treasurer is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or policy, except to the extent paid by the Original Purchaser in accordance with the Bond Purchase Agreement, if applicable, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose. The Treasurer is hereby authorized, to the extent necessary or required, to enter into any commitments or agreements, in the name of and on behalf of the School District, that the Treasurer determines to be necessary in connection with obtaining of such ratings or insurance. The expenditure of the amounts necessary to secure that rating or those ratings (including any and all travel-related costs) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser in accordance with the Bond Purchase Agreement, if applicable, is authorized and approved, and the Treasurer is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose. Any actions heretofore taken in conformance with the provisions of this paragraph are hereby ratified and confirmed.

If the Treasurer determines it to be in the best interests of and financially advantageous to the School District, the Treasurer is authorized and directed to apply, on behalf of the School District, to the Ohio Department of Education (the Department) and the Office of Budget and Management (OBM) for permission for the School District to participate in the Ohio School District Credit Enhancement Program (the Program) and thereby to request that the Department approve an agreement with the School District and the Bond Registrar, which agreement may be incorporated as a part of the Bond Registrar Agreement, providing for the withholding and deposit of funds otherwise due the School District under Chapters 3306 and 3317 of the Revised Code (State Education Aid) for the payment of Debt Charges on the Bonds, or a portion thereof, under certain circumstances. If the School District receives that permission and the Treasurer determines that it is in the best interest of and financially advantageous to the School District, the Treasurer may sign and deliver, in the name and on behalf of the School District, such an agreement pursuant to and containing the terms and conditions required by Section 3317.18 of the Revised Code. Unless otherwise stipulated by Section 3317.18 of the Revised Code or its implementing rule, Ohio Administrative Code Section 3301-8-01, this Board covenants that, if the School District enters into such an agreement with the Department, it will not pledge State Education Aid as primary security for other obligations on a parity with those bonds unless the projected amount of State Education Aid to be distributed to the School District in the then current fiscal year exceeds the maximum annual Debt Charges due in that fiscal year or any future fiscal year on all outstanding and proposed obligations to which State Education Aid is
pledged as the primary security by a ratio of at least 2.5 to 1; provided that this covenant shall not prevent the School District from issuing obligations having a claim on State Education Aid subordinate to that of those bonds. The Treasurer is authorized to sign and deliver, in the name and on behalf of the School District, to the extent necessary or required, any other instruments or agreements necessary to enable the School District to participate in the Program.

Section 7. Provisions for Tax Levy. There shall be levied on all the taxable property in the School District, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the Debt Charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be unlimited as to amount or rate, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the Debt Charges on the Bonds when and as the same fall due.

Section 8. Federal Tax Considerations. This Board covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

This Board further covenants (a) that it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) that it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Treasurer, as the fiscal officer of this Board, or any other officer of the School District having responsibility for the issuance of the Bonds, is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the School District with respect to the Bonds as the School District is permitted or required to make or give under the federal income tax laws, including, without limitation, any of the elections available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting the favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those
amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the School District, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the School District, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the School District regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds. The Treasurer is specifically authorized to designate the Bonds, or any portion thereof, “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants.

Section 9. Certification and Delivery of Resolution and Certificate of Award. The Treasurer is directed to deliver or cause to be delivered a certified copy of this Resolution and a signed copy of the Certificate of Award to the Medina County Auditor and the Summit County Fiscal Officer.

Section 10. Satisfaction of Conditions for Bond Issuance. This Board determines that all acts and conditions necessary to be performed by the Board or the School District or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the School District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 7) of the School District are pledged for the timely payment of the Debt Charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 11. Retention of Bond Counsel and Disclosure Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel and disclosure counsel, are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Bonds and the rendering of the necessary legal opinion upon the delivery of the Bonds. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the School District in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the School District or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services whether or not the Bonds are ever issued. The Treasurer is authorized and directed, to the extent they are not paid by the Original Purchaser in accordance with the Bond Purchase Agreement, if applicable, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 12. Retention of Municipal Advisor. The services of Sudsina & Associates, LLC, as municipal advisor, be and are hereby retained. The municipal advisory services shall be in the
nature of financial advice and recommendations in connection with the issuance and sale of the Bonds. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the School District in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the School District or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The Treasurer is authorized and directed, to the extent they are not paid by the Original Purchaser, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 13. **Compliance with Open Meeting Requirements.** This Board finds and determines that all formal actions of this Board and any of its committees concerning and relating to the adoption of this Resolution were taken, and that all deliberations of this Board and any of its committees that resulted in those formal actions were held, in meetings open to the public in compliance with the law.

Section 14. **Captions and Headings.** The captions and headings in this Resolution are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Section 2. Authorized Principal Amount and Purpose; Application of Proceeds. This Board determines that it is necessary and in the best interest of the School District to issue bonds of the School District in the maximum aggregate principal amount of $5,900,000 (the Bonds) for the purpose of constructing, furnishing and equipping new elementary schools, renovating, remodeling, reconstructing, adding to, furnishing, equiping, and otherwise improving buildings and facilities, including the existing middle school, and acquiring, clearing, preparing, equipping and otherwise improving real estate, for School District purposes and to retire the Series 2017 Notes at their maturity. The Bonds shall be the second installment of bonds issued under the authority referred to in the preambles. Anticipatory securities have been issued with respect to the specific series of Bonds authorized by this Resolution.
Subject to the limitations set forth in this Resolution, the aggregate principal amount of Bonds to be issued, the principal maturities of and the principal payment schedule for the Bonds, the interest rate or rates or compounding interest rate or rates that the Bonds shall bear and certain other terms and provisions of the Bonds identified in this Resolution are subject to further specification or determination in the Certificate of Award upon the finalization of the terms and provisions of the Bonds. Section 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The respective principal amounts of the Bonds to be issued as Current Interest Bonds and Capital Appreciation Bonds (if any Bonds are to be issued as Capital Appreciation Bonds) shall be determined by the Treasurer in the Certificate of Award, having due regard to the best interest of and financial advantages to the School District. Unless otherwise specified by the Treasurer in the Certificate of Award, the Bonds shall be dated as of the Closing Date. Notwithstanding any provision herein to the contrary, Bonds maturing on any one date may bear interest at different rates and may be issued separately as Current Interest Bonds and Capital Appreciation Bonds.

(a) Interest Rates and Interest Payment Dates. The Current Interest Bonds shall bear interest at the rate or rates of interest per year (computed on the basis of a 360-day year consisting of twelve 30-day months), as shall be specified by the Treasurer (subject to subsection (c) of this Section) in the Certificate of Award. Interest on the Current Interest Bonds shall be payable on each Interest Payment Date until the principal amount has been paid or provided for. The Current Interest Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

Any Capital Appreciation Bonds shall bear interest from the Closing Date at the compounding rate or rates of interest per year (computed on the basis of a 360-day year consisting of twelve 30-day months), accrued and compounded on each Interest Accretion Date and payable at maturity, that will result in the aggregate Maturity Amounts payable at maturity, as shall be specified by the Treasurer in the Certificate of Award. The total interest accrued on any Capital Appreciation Bond as of any particular date shall be an amount equal to the amount by which the Compound Accreted Amount of that Capital Appreciation Bond as of that date exceeds the principal amount of that Capital Appreciation Bond.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Redemption Requirements, in the case of Term Bonds, or Mandatory Sinking Fund Requirements, in the case of Sinking Fund Bonds, on the Principal Payment Dates and in principal amounts as shall be determined by the Treasurer in the Certificate of Award (subject to subsection
(c) of this Section), consistent with the Treasurer's determination of the best interest of and financial advantages to the School District.

Consistent with the foregoing and in accordance with the Treasurer's determination of the best interest of and financial advantages to the School District, the Treasurer shall specify in the Certificate of Award, among other things, (i) the aggregate principal amount of Bonds to be issued, (ii) the aggregate principal amount of Bonds to be issued as Current Interest Bonds, (iii) the aggregate principal amount of Current Interest Bonds to be issued as Serial Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date, (iv) the aggregate principal amount of Current Interest Bonds to be issued as Term Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Dates on which Term Bonds shall be subject to Mandatory Redemption Requirements and the principal amount thereof that shall be payable pursuant to Mandatory Redemption Requirements on each Mandatory Redemption Date, (v) the aggregate principal amount of Current Interest Bonds to be issued as Sinking Fund Bonds, the Principal Payment Date or Dates on which Mandatory Sinking Fund Requirements shall be met by a payment to the Bond Registrar for deposit to a Sinking Fund Account and the Mandatory Sinking Fund Requirement to be so met on each such Principal Payment Date, and (vi) the aggregate principal amount of any Bonds to be issued as Capital Appreciation Bonds and the corresponding aggregate Maturity Amount thereof, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, and the principal amount and corresponding Maturity Amount thereof that shall be payable on each such Principal Payment Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Current Interest Bonds and the compounding rate or rates of interest per year to be borne by any Capital Appreciation Bonds, and the principal amount of Current Interest Bonds maturing or payable pursuant to Mandatory Sinking Fund Requirements or Mandatory Redemption Requirements on each Principal Payment Date and the Maturity Amount of any Capital Appreciation Bonds payable on each Principal Payment Date, shall be such that (i) pursuant to Section 133.21(D) of the Revised Code, the total principal and interest payments on the Bonds and the Series 2018A Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other such fiscal year, and (ii) the true interest cost of the Bonds shall not exceed 6.00%.

(d) Payment of Debt Charges. The Debt Charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal (excluding any Mandatory Sinking Fund Requirements) of and any premium on the Current Interest Bonds, and principal of and interest on any Capital Appreciation Bonds, shall be payable when due upon presentation and surrender of the Bonds (except as otherwise provided herein) at the designated corporate trust office of the Bond Registrar. Interest on a Current Interest Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person’s address appearing on the Bond Register at the close of business on the 15th day preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book-entry system, principal (excluding any Mandatory Sinking Fund Requirements) of and interest and any premium
on the Bonds shall be payable in the manner provided in any agreement entered into by the Treasurer, in the name and on behalf of the School District, in connection with the book-entry system.

(e) Redemption Provisions. The Capital Appreciation Bonds, if any, shall not be subject to redemption prior to maturity. Unless otherwise specified by the Treasurer in the Certificate of Award, consistently with that officer’s determination of the best interest of and financial advantages to the School District, the Current Interest Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds Pursuant to Mandatory Redemption Requirements. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to Mandatory Redemption Requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Dates, for which provision is made in the Certificate of Award (such Dates and amounts being the Mandatory Redemption Requirements).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on the Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that Mandatory Redemption Date the principal amount of Term Bonds payable on that Mandatory Redemption Date pursuant to Mandatory Redemption Requirements (less the amount of any credit as hereinafter provided).

The School District shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Redemption Requirement of the School District, as specified by the Treasurer, for Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate as the Term Bonds so delivered. That option shall be exercised by the School District on or before the 45th day preceding any Mandatory Redemption Date with respect to which the School District wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Treasurer, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate. If the certificate is not timely furnished to the Bond Registrar, the then current Mandatory Redemption Requirement shall not be reduced. A credit against the then current or any subsequent Mandatory Redemption Requirement, as specified by the Treasurer, also shall be received by the School District for any Term Bonds that prior thereto have been redeemed (other than through the operation of the applicable Mandatory Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Redemption Requirements, as specified by the Treasurer, for Term

8
Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Current Interest Bonds of the maturities, if any, specified in the Certificate of Award (the Callable Bonds) shall be subject to redemption by and at the sole option of the School District, in whole or in part (as selected by the Board) in whole multiples of $5,000, on the dates, in the years and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Treasurer in the Certificate of Award; provided that (i) the earliest optional redemption date shall not be more than 10½ years after the Closing Date and (ii) the redemption price for the earliest optional redemption date shall not be greater than 102%.

If determined by the Treasurer in the Certificate of Award, the Callable Bonds shall also be subject to redemption by and at the sole option of the School District, in whole or in part in whole multiples of $5,000, on any date prior to the earliest optional redemption date at which the optional redemption price is 100% as determined by the Treasurer pursuant to the preceding paragraph (the Par Call Date), at a make-whole redemption price (the Make Whole Redemption Price), designed to make the owners of the Callable Bonds to be redeemed whole for the early redemption. The Treasurer shall determine the method for calculating the Make Whole Redemption Price in the Certificate of Award, provided that the Make-Whole Redemption Price shall not exceed 110% of the principal amount of the Callable Bonds to be redeemed without further action by this Board.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Treasurer to the Bond Registrar, given upon the direction of this Board through a resolution. That notice shall specify the redemption date and the principal amount of each maturity of Bonds and interest rate within a maturity to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity or interest rate within a maturity are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates selected by the School District. If fewer than all of the Bonds of a single maturity and interest rate are to be redeemed, the selection of Bonds of that maturity and interest rate to be redeemed, or portions thereof in amounts of $5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, each $5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a $5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for
payment of the redemption price of the $5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) **Notice of Redemption.** The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the School District by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner’s address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15th day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) **Payment of Redeemed Bonds.** In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to Sections 3(d) and 5, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds; provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the School District to the extent not required for the payment of the Bonds called for redemption.

(f) **Mandatory Sinking Fund Requirements.** The aggregate of the moneys to be deposited with the Bond Registrar for payment of Debt Charges on each Principal Payment Date shall include, with respect to any Sinking Fund Bonds, an amount sufficient to meet the Mandatory
Sinking Fund Requirement for deposit to the Sinking Fund Account on that Principal Payment Date (less a credit for any amount by which the balance in the Sinking Fund Account on that Principal Payment Date, determined as provided in the Bond Registrar Agreement, exceeds the sum of all Mandatory Sinking Fund Requirements for prior Principal Payment Dates).

Section 4. **Execution and Authentication of Bonds; Appointment of Bond Registrar.** The Bonds shall be signed by the President or Vice President of this Board and the Treasurer, in the name of the School District and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Treasurer, shall be numbered as determined by the Treasurer in order to distinguish each Bond from any other Bond and to distinguish the Current Interest Bonds from any Capital Appreciation Bonds, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of Chapter 133 of the Revised Code, the approval of the electors at the election identified in the first preamble hereto, this Resolution and the Certificate of Award.

The Treasurer is authorized to appoint and designate in the Certificate of Award the initial Bond Registrar after determining that such bank or trust company will not endanger the funds or securities of the School District and that proper procedures and safeguards are available for that purpose. The Treasurer shall sign and deliver, in the name and on behalf of the School District, the Bond Registrar Agreement between or among the School District, the Bond Registrar and, if applicable, the Ohio Department of Education, in substantially the form as is now on file with the Treasurer. The Bond Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved by the Treasurer on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Bond Registrar Agreement or amendments thereto. The Treasurer shall provide for payment of services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Bond Purchase Agreement, if applicable, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Treasurer on behalf of the School District. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. **Registration; Transfer and Exchange; Book-Entry System.**

(a) **Bond Registrar.** So long as any of the Bonds remain outstanding, the School District will cause the Bond Registrar to maintain and keep the Bond Register at its designated corporate trust office. Subject to any and all other pertinent provisions of this Resolution, the person in
where the name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the Debt Charges on any Bond shall be made only to or upon the order of that person; neither the School District nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the School District’s liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) **Transfer and Exchange.** Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated corporate trust office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the School District are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the School District. In all cases of Bonds exchanged or transferred, the School District shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the School District and the Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The School District or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the School District, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the School District nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) **Book-Entry System.** Notwithstanding any other provisions of this Resolution, if the Treasurer determines in the Certificate of Award that it is in the best interest of and financially advantageous to the School District, the Bonds may be issued in book-entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book-entry system and, if and so long as a book-entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and each interest rate within a maturity and registered in the name of the Depository or its nominee, as registered owner, and deposited with and maintained in the custody of the Depository or its designated agent which may be the Bond Registrar; (ii) the book-entry interest owners of Bonds in book-entry form shall not have any right
to receive Bonds in the form of physical securities or certificates; (iii) ownership of book-entry interests in Bonds in book-entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book-entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the School District.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Treasurer may attempt to establish a securities depository/book-entry relationship with another qualified Depository. If the Treasurer does not or is unable to do so, the Treasurer, after making provision for notification of the book-entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form to be authenticated by the Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of School District action or inaction, of those persons requesting such issuance.

The Treasurer is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the School District, that the Treasurer determines to be necessary in connection with a book-entry system for the Bonds.

(a) To the Original Purchaser. The Bonds shall be sold at private sale by the Treasurer to the Original Purchaser at a purchase price not less than 97% of the aggregate principal amount thereof, as shall be specified in the Certificate of Award, plus any accrued interest on the Current Interest Bonds from their date to the Closing Date, and with and upon such other terms as are required or authorized by this Resolution to be specified in the Certificate of Award, in accordance with law, the provisions of this Resolution and the Bond Purchase Agreement.

In accordance with the Treasurer's determination of the best interest of the School District and based on conditions then existing in the financial markets, the Treasurer shall sign and deliver the Certificate of Award to determine and specify the interest rate or rates the Bonds are to bear, the final purchase price of the Bonds and other final terms of the Bonds in accordance with the provisions of this Resolution and to evidence the sale of the Bonds to the Original Purchaser and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The President and Vice President of this Board, the Treasurer, the Superintendent and other School District officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments (including but not limited to agreements as necessary or appropriate for the holding, investment and application of any money deposited in the Bond Retirement Fund pursuant to Mandatory Sinking Fund Requirements) and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Resolution.

The Treasurer is authorized to sign and deliver, in the name and on behalf of the School District, the Bond Purchase Agreement between the School District and the Original Purchaser, in substantially the form as is now on file with the Treasurer, providing for the sale to, and the purchase
by, the Original Purchaser of the Bonds. The Bond Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved on behalf of the School District by the Treasurer, all of which shall be conclusively evidenced by the Treasurer’s signing of the Bond Purchase Agreement or amendments thereto.

(b) **Primary Offering Disclosure – Official Statement.** The (preliminary) official statement currently on file with the Treasurer is approved in substance. The President or Vice-President of this Board, the Treasurer and the Superintendent, on behalf of the School District and in their official capacities, are authorized to (i) make or authorize modifications, completions or changes of or supplements to, said official statement in connection with the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when the official statement, as it may be so modified, completed, changed or supplemented, is to be “deemed final” (except for permitted omissions) by the School District or is a final official statement for purposes of Sections (b)(1), (3) and (4) of the Rule, (iii) use and distribute, or authorize the use and distribution of, the official statement, as it may be so modified, completed, changed or supplemented, in connection with the original issuance of the Bonds, and (iv) complete and sign the official statement, as it may be so modified, completed, changed or supplemented, together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of an official statement as they deem necessary or appropriate.

(c) **Agreement to Provide Continuing Disclosure.** For the benefit of the holders and beneficial owners from time to time of the Bonds, the School District agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of the Rule. The President or Vice President of this Board, the Treasurer and the Superintendent are authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the School District, in substantially the form as is now on file with the Treasurer. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this resolution and not substantially adverse to the School District and that are approved by the President or Vice President of this Board, the Treasurer and the Superintendent on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Treasurer is further authorized and directed to establish procedures in order to ensure compliance by the School District with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Treasurer shall consult with and obtain legal advice from, as appropriate, the bond counsel or other qualified independent special counsel selected by the School District. The Treasurer, acting in the name and on behalf of the School District, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the School District of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

(d) **Application for Ratings, Bond Insurance and/or Other Credit Enhancement; Financing Costs.** If, in the judgment of the Treasurer the filing of an application for (i) a rating on the Bonds by one or more nationally recognized rating agencies, or (ii) a policy of insurance from
a company or companies to better assure the payment of principal of and interest on all or a portion of the Bonds, is in the best interest of and financially advantageous to this School District, the Treasurer is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or policy, except to the extent paid by the Original Purchaser in accordance with the Bond Purchase Agreement, if applicable, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose. The Treasurer is hereby authorized, to the extent necessary or required, to enter into any commitments or agreements, in the name of and on behalf of the School District, that the Treasurer determines to be necessary in connection with obtaining of such ratings or insurance. The expenditure of the amounts necessary to secure that rating or those ratings (including any and all travel-related costs) and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser in accordance with the Bond Purchase Agreement, if applicable, is authorized and approved, and the Treasurer is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose. Any actions heretofore taken in conformance with the provisions of this paragraph are hereby ratified and confirmed.

If the Treasurer determines it to be in the best interests of and financially advantageous to the School District, the Treasurer is authorized and directed to apply, on behalf of the School District, to the Ohio Department of Education (the Department) and the Office of Budget and Management (OBM) for permission for the School District to participate in the Ohio School District Credit Enhancement Program (the Program) and thereby to request that the Department approve an agreement with the School District and the Bond Registrar, which agreement may be incorporated as a part of the Bond Registrar Agreement, providing for the withholding and deposit of funds otherwise due the School District under Chapters 3306 and 3317 of the Revised Code (State Education Aid) for the payment of Debt Charges on the Bonds, or a portion thereof, under certain circumstances. If the School District receives that permission and the Treasurer determines that it is in the best interest of and financially advantageous to the School District, the Treasurer may sign and deliver, in the name and on behalf of the School District, such an agreement pursuant to and containing the terms and conditions required by Section 3317.18 of the Revised Code. Unless otherwise stipulated by Section 3317.18 of the Revised Code or its implementing rule, Ohio Administrative Code Section 3301-8-01, this Board covenants that, if the School District enters into such an agreement with the Department, it will not pledge State Education Aid as primary security for other obligations on a parity with those bonds unless the projected amount of State Education Aid to be distributed to the School District in the then current fiscal year exceeds the maximum annual Debt Charges due in that fiscal year or any future fiscal year on all outstanding and proposed obligations to which State Education Aid is pledged as the primary security by a ratio of at least 2.5 to 1; provided that this covenant shall not prevent the School District from issuing obligations having a claim on State Education Aid subordinate to that of those bonds. The Treasurer is authorized to sign and deliver, in the name and on behalf of the School District, to the extent necessary or required, any other instruments or agreements necessary to enable the School District to participate in the Program.
Section 7. Provisions for Tax Levy. There shall be levied on all the taxable property in the School District, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the Debt Charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be unlimited as to amount or rate, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the Debt Charges on the Bonds when and as the same fall due.

Section 8. Federal Tax Considerations. This Board covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

This Board further covenants (a) that it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) that it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) that, it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Treasurer, as the fiscal officer of this Board, or any other officer of the School District having responsibility for the issuance of the Bonds, is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the School District with respect to the Bonds as the School District is permitted or required to make or give under the federal income tax laws, including, without limitation, any of the elections available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting the favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the School District, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the School District, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the School District
regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds. The Treasurer is specifically authorized to designate the Bonds, or any portion thereof, "qualified tax-exempt obligations" if such designation is applicable and desirable, and to make any related necessary representations and covenants.

Section 9. Certification and Delivery of Resolution and Certificate of Award. The Treasurer is directed to deliver or cause to be delivered a certified copy of this Resolution and a signed copy of the Certificate of Award to the Medina County Auditor and the Summit County Fiscal Officer.

Section 10. Satisfaction of Conditions for Bond Issuance. This Board determines that all acts and conditions necessary to be performed by the Board or the School District or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the School District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 7) of the School District are pledged for the timely payment of the Debt Charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 11. Retention of Bond Counsel and Disclosure Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel and disclosure counsel, are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Bonds and the rendering of the necessary legal opinion upon the delivery of the Bonds. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the School District in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the School District or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services whether or not the Bonds are ever issued. The Treasurer is authorized and directed, to the extent they are not paid by the Original Purchaser in accordance with the Bond Purchase Agreement, if applicable, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 12. Retention of Municipal Advisor. The services of Sudsina & Associates, LLC, as municipal advisor, be and are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Bonds. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the School District in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the School District or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The Treasurer is authorized and directed, to the extent they are not paid by the
Original Purchaser, to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm.

Section 13. Compliance with Open Meeting Requirements. This Board finds and determines that all formal actions of this Board and of any of its committees concerning and relating to the adoption of this Resolution were taken, and that all deliberations of this Board and of any of its committees that resulted in those formal actions were held, in meetings open to the public in compliance with the law.

Section 14. Captions and Headings. The captions and headings in this Resolution are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Resolution unless otherwise indicated.

The Treasurer or Treasurer Pro Tempore, as the case may be, advised the Board that the notice requirements of Section 121.22 of the Revised Code and the implementing rules adopted by the Board pursuant thereto were complied with for the meeting.

______________________________ moved the adoption of the following resolution:

A RESOLUTION DECLARING IT NECESSARY TO RENEW ALL OF AN EXISTING CURRENT EXPENSE TAX LEVY AND REQUESTING THE MEDINA COUNTY AUDITOR TO CERTIFY THE TOTAL CURRENT TAX VALUATION OF THE SCHOOL DISTRICT AND THE DOLLAR AMOUNT OF REVENUE THAT WOULD BE GENERATED BY THAT RENEWAL LEVY.

WHEREAS, at an election held in 1998, the electors of this School District approved the levy of an incremental property tax for current expenses, which, when fully phased in, amounted to 7.9 mills; and

WHEREAS, at an election held in this School District on November 6, 2007, the electors of this School District approved the renewal of all of the 7.9-mill tax levy for the purpose of current expenses for ten years, the last collection of which tax levy will occur in calendar year 2018; and

WHEREAS, in order to provide for the collection of necessary tax revenues for that purpose without interruption, this Board finds it necessary to renew the existing 7.9-mill levy for a period of ten years; and

WHEREAS, in accordance with Section 5705.03(B) of the Revised Code, in order to submit the question of a tax levy pursuant to Section 5705.212 of the Revised Code, this Board must request that the Medina County Auditor certify (i) the total current tax valuation of this School District, and (ii) the dollar amount of revenue that would be generated by the renewal levy; and

WHEREAS, in accordance with Division (B) of Section 5705.03 of the Revised Code, as amended effective September 29, 2017, upon receipt of a certified copy of a resolution of this Board declaring the necessity of a tax, stating its purpose, whether it is an additional levy, a renewal or a replacement of an existing tax, or a renewal or replacement of an existing tax with an increase or a decrease, the Section of the Revised Code authorizing the submission of the question of the tax, the term of years of the tax (or that it is for a continuing period of time), that the tax is to be levied upon the entire territory of the School District, the date of the election at which the question of the
tax shall appear on the ballot, that the ballot measure shall be submitted to the entire territory of the School District, the tax year in which the tax will first be levied and the calendar year in which it will be first collected and each county in which the School District has territory, and requesting such certification, the County Auditor is to certify the total current tax valuation of the School District and the dollar amount of revenue that would be generated by the proposed levy;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Highland Local School District, Counties of Medina and Summit, State of Ohio, two-thirds of all members of that Board elected thereto concurring, that:

Section 1. This Board determines and declares that (i) it is necessary to renew all of an existing 7.9-mill ad valorem property tax levy outside of the ten-mill limitation for the purpose of current expenses, (ii) as authorized by Section 5705.212 of the Revised Code, it intends to submit the question of that renewal tax levy to the electors of the entire territory of the School District at an election on August 7, 2018 (subject to the results of the election on the same question being held on May 8, 2018), and (iii) the territory of the School District lies in Medina County and Summit County. If approved, that tax will be levied upon the entire territory of the School District for a period of ten years, commencing in tax year 2018, for first collection in calendar year 2019.

Section 2. This Board requests the Medina County Auditor to certify to it both (i) the total current tax valuation of this School District and (ii) the dollar amount of revenue that would be generated by the 7.9-mill renewal tax levy specified in Section 1.

Section 3. The Treasurer of this Board is authorized and directed to deliver promptly to the Medina County Auditor a certified copy of this resolution.

Section 4. This Board finds and determines that all formal actions of this Board and of any of its committees concerning and relating to the adoption of this resolution were taken, and that all deliberations of this Board and of any of its committees that resulted in such formal actions were held, in meetings open to the public, in compliance with the law.
