MOMENTUM AWARDS – PRESENTED TO HIGHLAND MIDDLE SCHOOL AND GRANGER ELEMENTARY SCHOOL BY RENO CONTIPELLI – NEO REGIONAL OSBA EXECUTIVE COMMITTEE

Mrs. Thomas introduced Mr. Reno Contipelli, Regional Manager of the Northeast Ohio Regional Executive Committee of the Ohio School Boards Association. Mr. Contipelli thanked Mrs. Thomas who has volunteered her time representing Highland and Medina County and has served on this committee for 5 years.

Mr. Contipelli said the NEO Regional Executive Committee represents 19 counties and 225 school districts. He noted that there were only 35 other school buildings in the area that received this award and only 2 other districts that received 2 awards. He commented that Highland has good leadership, buildings and a nice school board and administrative team.

Mr. Contipelli was honored to recognize Dr. LeAnn Gausman, Granger Elementary Principal, and Mr. Rob Henry, Highland Middle School Principal, for receiving the 2017 Ohio Department of Education Momentum Award.

Mrs. Aukerman congratulated Dr. Gausman and Mr. Henry on the accomplishment and said to continue the good work.

HEARING OF INDIVIDUALS AND/OR DELEGATION REPRESENTATIVES

Theresa Wright, Executive Director of the Highland Foundation, summarized the projects that were approved last fall. Grants totaling $44,189 were awarded and she noted that the Foundation is well on pace to contribute over $100,000 in scholarships and grants for the current school year. The grants awarded for the fall were as follows:

- **$14,927** - One District, One Book – Shared reading experience between students, families and the community, including an author visit.
- **$10,000** - 21st Century Sound - This grant includes funding for 20 wireless microphones, six antennas, and other items to support the microphone system for Added Attraction and the musical productions at Highland High School and Highland Middle School.
- **$2,000** - Accompanist Grant – This grant allows for an accompanist to work with the High School instrumental music students who participate in adjudicated solo events.
- **$2,000** - National Players – In conjunction with the Ohio Regional Music Arts Cultural Outreach (ORMACO), National Players are scheduled to conduct workshops and a performance at the High School on May 1, 2018. One workshop will focus on “The Great Gatsby” and how this great American novel was brought to the stage (all regular college prep and honors 11th grade English students). The other workshop, geared for drama students, will focus on actor training and advice for a career in the arts.
- **$8,130** - The Chemistry of Art – The High School Art Department will collaborate with the chemistry teachers to deliver three project-based units. The objective is to teach students the relationship between art and chemistry through a mix of lecture, lab experiments and art activities. The grant is designed to enhance creativity and critical thinking skills and allow students to demonstrate flexibility and reflective habits for creating visual art forms in a variety of artistic contexts.
$3,017 - All The Waves We Cannot See – Designed to help students better understand waves in science and technology using Ozobots. Ozobots are miniature infrared sensors using robots that respond to different color-coded sequences, as well as other stimuli to perform a task. Students will compare these technologies to community-used technologies such as cell phones, radios, remotes and satellites.

$4,115 - Yoga, Mindfulness & Relaxation Training – The goal of this initiative is to increase the physical and emotional health and wellness of students at the middle school level. Eden Koz, mindfulness consultant and founder of “Just Be,” will offer parent and student workshops on the topics of knowing the signs and symptoms of anxiety and depression, basic ways to reduce and manage anxiety, healthy coping skills for teens and adults, as well as an overview of mindfulness and meditation practices.

In closing, Mrs. Wright thanked Mrs. Thomas for her seven years of service to the Foundation and presented her with a Star award. She also noted that Mr. Christopher Wolny will be the new Board Liaison to the Foundation and she is looking forward to working with him.

Dr. Christopher again reminded the audience how fortunate the District and community are to have a support organization like the Foundation. Through the Foundation, many additional opportunities are made possible. Dr. Christopher thanked Mrs. Thomas for her service to the Foundation and Mrs. Wright for her leadership.

Mrs. Thomas said it has been amazing to be involved with the Foundation for the past seven years. She said the leadership team and the Trustees are outstanding. She thanked everyone.

Dr. John Deuber, Athletic Director, shared information with the Board regarding the donations of another school support organization, the Highland Athletic Boosters. He reported that the Boosters donated $44,847 during the first half of the school year in the form of uniforms, equipment, travel expenses, etc. Additionally, the group made another donation of $25,000 to the Highland Athletic Facilities Association. He recognized Mr. Chris Shaffer, HAB President, and Mr. Chris Heini, HAB Secretary, and thanked them on behalf of our student athletes.

Dr. Christopher echoed the same sentiment regarding the Boosters as he did with respect to the Foundation. He thanked Dr. Deuber and his team for their great service to the community.

Mrs. Aukerman also shared her appreciation for the Boosters and Dr. Deuber. She noted that the role of Athletic Director can often times be a thankless one.

SUPERINTENDENT’S AGENDA
BUILDING PROJECT UPDATE

Mrs. Aukerman provided a brief update on the building project including a review of the Educational Visioning Report prepared by GPD Group, project architects. This report is a product of the visioning sessions that were held with the staff and
community in December and January. A copy of the report is available for review on the District’s website.

Dr. Christopher commented on the process and the fact that this may cause some anxiety for traditionalists as the District explores more contemporary learning spaces and approaches for the future. He suspects professional development for staff will be a key component as the District potentially shifts to a more project based learning environment.

Mr. Kelly commented on how impressed he is with the very methodical and thoughtful approach that is going into the planning process. He thanked Mrs. Aukerman for her leadership.

AUGUST 2018 LEVY RENEWAL – DECLARATION OF NECESSITY – ADDENDUM #II 18-04-53

Mr. Wolny made a motion, seconded by Mrs. Thomas, that the Board of Education approve the resolution declaring it necessary to renew all of an existing current
expense tax levy and requesting the Medina County Auditor to certify the total current tax valuation of the School District and the dollar amount of revenue that would be generated by the renewal levy, as presented in Addendum # II.

Mr. Barnes noted that this action was being taken in the event that voters do not approve the renewal request on the May 8th ballot. Should the May levy pass, the Board will take action to nullify its authorizations related to this August levy renewal.

Mr. Kelly took the opportunity to remind everybody to vote on Tuesday, May 8th noting that if the levy does not pass, it will put the District in dire straits. He urged people to vote to continue excellence at Highland into the future.

Mr. Wolny, yes; Mrs. Thomas, yes; Mr. Houska, yes; Mr. Kelly, yes; Dr. Christopher, yes. Motion carried.

BOARD MEMBERS’ AGENDA ITEMS

Dr. Christopher commented on the safety and security forum hosted by the District on April 11th with guest speaker Kenneth Trump. He noted that it was an honest and generally cordial dialogue with the community through which participants were given the opportunity to share concerns and ask questions. He hopes that everyone feels a little more comfortable given all that the District has done over the past several years and the ongoing efforts to enhance safety and security throughout the District. He commended Mr. Trump for his global perspective as well as Mrs. Aukerman and the entire staff for their continued efforts.

Mr. Kelly thanked the entire staff for their strong commitment to safety and security, which is on display every single day.

Mrs. Aukerman elaborated on the work that has been done and next steps. She said Ken Trump and his team evaluate everything from top to bottom. They conduct on-site inspections and interviews for three days. They not only review physical security measures but also policies and procedures. She expects that a report, including recommendations, will be provided by Mr. Trump within six weeks. Mr. Trump is not on retainer with the District. Typically, the District engages his company about once every five years to perform a school security and emergency preparedness assessment.

Mrs. Aukerman thanked all of the parents that attended the forum and pledged that this will be an ongoing dialogue. The District will continually review safety and security measures and implement additional enhancements as appropriate and warranted.

HEARING OF INDIVIDUALS AND/OR DELEGATION REPRESENTATIVES

LINDA COLLINS, HIGHLAND FOUNDATION TRUSTEE – GRANTS UPDATE

Mrs. Collins shared that the Foundation approved eleven grants in April totaling $57,541. This latest round of grants increased the total grants awarded by the Foundation for the current school year to $101,730. Included in these most recent awards were grants related to band instrument switchover, musical accompaniments, private musical instrument lessons, Great Lakes Theatre Festival, Intercultural Program, sensory rooms at Highland Middle School, sensory garden and greenhouse, Keys for Success career exploration, Hornet Makerspace, Retro Bill Program (DARE), and College Now.
Dr. Christopher reiterated that the Highland Foundation is one of those things that sets Highland apart from so many other districts. He greatly appreciates the support from the community, which creates the opportunity for innovative programs like this.

**DR. JOHN DEUBER – ATHLETIC DIRECTOR**

Dr. Deuber shared the results of a collaborative project undertaken by his department and students from Mr. Brian Graham’s digital art class at the high school. Students were tasked with designing posters for Highland’s sports schedules. The top poster submissions were identified internally. With the help of community member Mark Phelps, North Gateway Tire agreed to be the advertiser and sponsor for the production of the posters. North Gateway was given the opportunity to select its favorite poster from the finalists. Highland High School Senior Cecilia Dannery’s poster was selected. Dr. Deuber said it is his goal to continue this project for every sports season, attract more advertisers, and most importantly provide Highland students with real life experiences.

Last week, a signing day ceremony was held for Highland student athletes who will continue their academic and athletic careers at the Division I or II level.

The students that signed this Spring were:

- Annabelle Stanec, Ohio State University - Rifle Team – Criminal Justice
- Madison Sima – Point Park University – Volleyball Team - Business
- David Laib – Wheeling Jesuit University – Golf Team – Business
- Alicia Povasnik – Ohio University – Golf Team – Business
- Evan Kasulones – United States Naval Academy – Track & Field – Economics or Political Science
- Bryce Budzinski – Lake Erie College – Baseball Team - Undecided

Dr. Deuber said overall this school year there have been thirteen Division I and II signings, which is the highest number the District has ever had. He expressed his pride in the students’ accomplishments and gratitude to the coaches that have worked so hard with them.

Later in the spring, there will be a Division III signing day in which five to ten additional athletes are expected to commit.

**OLD BUSINESS**

**MAY 8TH LEVY RENEWAL**

Mrs. Aukerman provided copies of the fact sheet for the upcoming May 8th levy renewal.

She shared that the levy that is up for renewal was originally passed in 1998 and renewed in 2007. The District has relied on this revenue for the past 20 years. It is a 7.9-mill levy that will not cost any additional money and currently costs about $155 per year per $100,000 of property valuation. The levy generates $4.15 million annually and represents approximately 13% of the District’s operating budget. The levy is critical and the District cannot operate effectively without it. It funds educational basics such as teachers, classroom materials, utilities and support services for Highland students. The levy is completely separate from the recently passed bond issue for new elementary schools and middle school renovations.

Mrs. Aukerman urged the community to get out to vote in support of the levy. She said that the District will continue to message with parents and community members over the next several weeks. She noted that renewals are not automatic.
these days, so it is very important for parents, in particular, to get out and vote and to remind others to do the same.

BUILDING PROJECT UPDATE

Mrs. Aukerman shared that programming meetings have been scheduled for each grade level, special education, and preschool. All teachers have been invited to attend and participate. Tours of buildings in other school districts have also been scheduled.

SUPERINTENDENT’S AGENDA

HIGH SCHOOL OUT-OF-COUNTRY TRIPS – DARLA MILLER 18-04-54

Mr. Houska made a motion, seconded by Mr. Wolny, that the Board of Education approve the High School Out-of-Country Trips to France, Spain and China departing on March 15, 2019 and returning on March 30, 2019, as presented. These trips are paid for entirely by Highland students.

Mr. Houska, yes; Mr. Wolny, yes; Mrs. Thomas, yes; Mr. Kelly, no; Dr. Christopher, yes.

Mr. Kelly explained the rationale for his vote. In general, he is very supportive of intercultural interactions and has hosted numerous exchange students over the years; however, the world is different now and there are potential risks associated with international travel with which he is not comfortable. He urged parents to think hard about the decision to send their kids.

Motion carried.

STUDENT EXPULSION APPEAL HEARING DECISION 18-05-75

Dr. Christopher appreciated everyone’s patience with the process. The Board provided an opportunity to the appellant to present their case. The Board listened, asked questions, discussed, and thoroughly thought through the issues.

Following deliberation, Dr. Christopher recommended that the Board of Education find that the student violated the student code of conduct by possessing, on school grounds, a firearm or a look-alike firearm.

Dr. Christopher further recommended that the Board of Education affirm the decision of the Superintendent to expel the student for eighty (80) school days, from March 12, 2018 thru October 2, 2018.
Dr. Christopher further recommended that the Board President be directed to issue written findings the fact consistent with the opinion of the Board, and that the Treasurer provide the student and his parents with written notice of the Board’s action including said findings of the facts.

Mrs. Thomas made a motion, seconded by Mr. Wolny, that the Board of Education approve the recommendations made by Dr. Christopher to find that the student violated the student code of conduct, affirm the Superintendent’s expulsion decision, and issue written findings of fact as noted.

Dr. Christopher expressed appreciation for all of the work that went into getting the last three agenda items to this point.

BOARD MEMBERS’ AGENDA ITEMS

Mr. Kelly echoed Dr. Christopher’s remarks, especially to Mrs. Aukerman and Mr. Barnes. He acknowledged the work that went into these site acquisitions and the significant progress that can now occur with respect to design work.

Mrs. Aukerman also shared her excitement with the new parcels and reiterated the long-term focus employed in making decisions regarding these sites.

Dr. Christopher speculated that ten years from now, these types of parcels might not even be available for this purpose. He said the timing was right. Mr. Kelly believes these purchases will best serve current and future needs.

Dr. Christopher spoke about the tremendous success Highland students and student athletes have experienced in recent weeks, including boys and girls track, baseball, and the rugby club team. He also expressed great pride in the news that Taylor Headrick was named a speech & debate national champion. He spoke about the 270 recent graduates and congratulated all Highland students, staff, and leadership for another outstanding year.

HEARING OF INDIVIDUALS AND/OR DELEGATION REPRESENTATIVES

Theresa Wright, Executive Director of the Highland Foundation, thanked everyone who had a part in making the 3rd annual Hornet Dash a success.
Mr. Wolny noted that it was a really good event and very well put on.

SUPERINTENDENT’S AGENDA

On behalf of the Board of Education and the entire Highland community, Mrs. Aukerman extended sympathies, thoughts and prayers to the Hann and Kudla families. Highland High School student Alyssa Haun and her brother Justin Haun passed away unexpectedly on July 4th. Highland High School graduate Mike Kudla passed away unexpectedly on July 15th. Mrs. Aukerman expressed appreciation to the staff and community for the outpouring of support to these families during this difficult time.

Dr. Christopher commended District leadership, counselors, and staff for the role they play in helping students and families navigate tragedies such as these. He has heard how responsive District employees are, and how eager they are to provide support to families in these situations. He feels that it really demonstrates how the District leads by example.

HEARING OF INDIVIDUALS AND/OR DELEGATION REPRESENTATIVES

Mr. Ray Lurtz, Sharon Township resident and former Sharon Township Trustee, addressed the Board regarding the current condition of the Middle School Stadium. Mr. Lurtz said the facility is appalling and embarrassing. He feels that the stadium has been “let go” from a general maintenance standpoint (mowing, trimming, landscaping beds, etc.) and the remnants of the visitor side bleachers present a safety hazard. He requested that the community’s tax dollars be used to address the situation.

Mrs. Aukerman commented that the District is ultimately responsible for the upkeep of the facility and has contracted with an outside entity to assist in this work. She also noted that the District’s groundskeeper was out for an extended period of time due to a significant injury, which has contributed to the current situation.

Mr. Kevin and Rebecca Gifford, Sharon Township residents who own property next to the proposed future site of the new Sharon Elementary, are generally happy about the school building being constructed next to them, but they also wanted to share a few concerns.
First, they are hopeful that the trees that line their property can be preserved. Second, they are worried about the potential for a road widening and what that would mean for their property frontage on SR 94. Lastly, they are concerned about the impact a new building and mass grading could have on water run-off to their property.

Mr. Gifford and his wife came to this meeting to introduce themselves to the Board and plan to be good neighbors. They understand the importance of this building for the next generation. At the same time, they hope to maintain what they have built over the years. Mr. Gifford thanked the Board for their time.

Mrs. Aukerman said the District does have an option to buy the property next to the Gifford’s and is currently in the process of conducting due diligence work (ex. soil borings). She noted that the District is in the preliminary planning stages and it is too early to determine what trees, if any, will need to be removed or the design of a potential road widening and its impact on property owners. She noted that the building would be designed with water run-off control measures as required. Mrs. Aukerman said that the District is also very interested in preserving the look and feel of the property.

NEW BUSINESS

Mrs. Aukerman shared that the District had a great opening staff day kicked off with a convocation of all staff. This meeting included the introduction of new staff members and the distribution of service pins for years of service, including Donna Wadle who received her 35 years of service pin. There was also a great speaker, Dr. Bobby Moore, who spoke about living a life of purpose. The Superintendent also reminded everyone that school will start with grades 1 through 9 on Wednesday, August 22nd, and on Thursday, August 23rd for kindergarten and grades 10 through 12. She asked everyone for their patience with transportation the first couple days/week.

Motion carried.

RESOLUTION OF INTENT NOT TO PROVIDE CAREER-TECHNICAL EDUCATION IN GRADES 7 AND 8 18-08-109

Mr. Wolny made a motion, seconded by Mrs. Thomas, that the Board of Education approve the Resolution of Intent Not to Provide Career-Technical Education in Grades 7 and 8, as presented.

Mrs. Aukerman noted that the District provides an exploration of career tech options and opportunities, in lieu of offering “certified” career tech, which requires you to select one pathway, when in fact, there are 20. There would also be a need to hire additional CTE licensed teachers. Highland partners with the Medina County Career Center to offer options to students.

HEARING OF INDIVIDUALS AND/OR DELEGATION REPRESENTATIVES

Ray Lurtz, Sharon Township resident and former Sharon Township Trustee, expressed his appreciation for all of the landscaping work that has been done at the Middle School Athletic Complex. He also inquired about the District’s intentions for the visitor side bleachers at the complex.

Theresa Wright, Executive Director of the Highland Foundation, shared information regarding recent and upcoming Foundation grants and events including 5th grade instrument night, Retro Bill, the Intercultural Program, and Oktoberfest, which is a precursor event to the Annual Great Gifts Dinner Auction.

Kevin Reidl, Westwood Drive, Granger Township, expressed concern about his child’s bus stop. His family lives at the end of Westwood Drive on the cul-de-sac. The distance to his child’s bus stop is approximately one-quarter of a mile and he is concerned for his child’s safety. He asked that the Board reconsider moving the stop closer to their house.

Mrs. Aukerman reminded the audience that cluster stops are not new to the District and have been the norm for many years now. The District uses a transportation software that helps determine bus stop locations. Bus stops are subject to change from year to year.

Jeff Mauk, Westwood Drive, Granger Township, also expressed concern about the bus stop location. He noted that the stop only changed this year and that his grandchild has always been picked up at their house. He has spoken with the transportation supervisor and written a letter to the editor on the matter. He stated that the stop is obstructed from his view and that vehicles don’t adhere to the speed limit. He expressed his love for Highland Schools, but noted that the world has changed and he feels something must be done to help ensure safety.

OLD BUSINESS

None

NEW BUSINESS

Mrs. Aukerman shared that a public forum on childhood stress and anxiety will be held on September 18th in the High School Auditorium.

Mrs. Aukerman also shared that the Highland Pride Committee is participating in a fundraiser through which Highland landscape boulders/rocks are being sold with a portion of the proceeds going back to the Committee.
SUPERINTENDENT’S AGENDA

STATE REPORT CARD OVERVIEW

Mrs. Aukerman shared great news regarding Highland’s local report card from the State. The District received an overall A and was one of only 28 districts in the entire State of Ohio to achieve this grade. There are 612 public schools in the State. She stated that the bar continues to be raised every year and that the entire team will continue to work hard to maintain this level of excellence.

Dr. Christopher commented that this doesn’t happen by accident. It requires the development of a strategy and a strong commitment to get there. He offered congratulations to Mrs. Aukerman and the entire staff on this great accomplishment. He also thanked the community for its continuing support.

HIGHLAND FOUNDATION PRESENTATION – MRS. THERESA WRIGHT, EXECUTIVE DIRECTOR

Mrs. Aukerman introduced Theresa Wright, Executive Director of the Highland Foundation. She emphasized what a valuable partnership this has been for the District through the years.

Mrs. Wright provided a very informative presentation on the Highland Foundation touching upon the organization’s past, present, and future, including its formation, structure, mission, and goals.

SUPERINTENDENT’S AGENDA

BUILDING PROJECT UPDATE – RODWELL KING AND MARK SALOPEK, GPD GROUP

Mrs. Aukerman introduced Rodwell King from the GPD Group, which is the design firm engaged on the building project. Mr. King spoke about project progress to date including, but not limited to, building sites, planning/programming, and design/layout.

Mrs. Thomas inquired about the baseball and softball fields included in the conceptual images. It was explained that these fields have been incorporated on the sites as placeholders and will not necessarily be funded as part of this project. This will be dependent on budget.

Mrs. Aukerman shared that site acquisition in Sharon Township has proven especially difficult. She noted that the District is in the process of working on a third location option as two other attempts to acquire land have been unsuccessful. She said the District prefers to construct the new elementary buildings simultaneously to maximize potential savings and would like to avoid the need for swing space as well as potential moves in the middle of a school year.

Hammond Construction representative John Kirkpatrick was also in attendance and advised that it would make sense to delay the project from the initial expected completion date of August 2020 to August 2021. This would provide sufficient time to secure the best available site for Sharon Elementary and ensure that the District hits the market with bid packages at the best possible time (i.e. January/February).

Dr. Christopher said that he feels strongly that the project team has been very diligent and aggressive in its efforts to acquire property.

Mrs. Aukerman said that the District could build on the existing, inadequate Sharon site, but it is not a good option at all. The site is half the size of what the State
recommends for the expected new building size. She reiterated that this project has been 90 years in the making and everyone wants to get this right. As such, a few more months of delay may prove very beneficial in the grand scheme of things.

She also shared that it is likely that the existing Sharon Elementary building will remain open as enrollment continues to trend higher with the expansion of annexation activity along the southern border of the District.

PAYMENT IN LIEU OF TRANSPORTATION – ADDENDUM # II 18-10-130

Mrs. Thomas made a motion, seconded by Mr. Wolny, that the Board of Education approve the Payment in Lieu of Transportation Resolution, as presented in Addendum # II.

Mrs. Aukerman said there was a record number of attendees and she was very pleased to see so many first time attendees.

HEARING OF INDIVIDUALS AND/OR DELEGATION REPRESENTATIVES

Theresa Wright, Executive Director of the Highland Foundation, said the Foundation recently awarded more than $41,000 in grants including the Joe Deninzon Residency, Eric Paton Japanese Drumming Taiko, Elementary Steel Drum, One District One Book, Zach Warren Artist in Residence, and Joseph Sojourner – Growing Leaders.

Mrs. Wright also expanded on the Foundation Dinner with the assistance of Shelly Butcher, Highland Foundation Treasurer. They noted that there were 366 seated attendees and 393 tickets sold. Their calculations indicate that the dinner netted over $120,000. They thanked everyone involved for their support.

Dr. Christopher noted that there doesn’t seem to be a meeting that goes by without evidence of community support such as this. He thanked Mrs. Wright and her team for putting together such a great event that people look forward to each year.

Mr. Joe Kunzler, Fixler Road, Sharon Township resident, shared his concerns about population growth in Sharon and the corresponding impact on District enrollment. He inquired of the Board as to whether they would consider modifying School District boundaries. Specifically, he asked whether territory annexed by the City of Wadsworth from Sharon Township that remains part of Highland Local Schools could be transferred to Wadsworth City Schools.

Dr. Christopher recognized the complexity of the issue. He said the District is aware of the growth in that area and its potential impact.

Mr. Kelly noted that territory transfer is a slippery slope. He reminded the audience that there are Hinckley Township resident students who attend Brunswick City Schools despite their desire, in many cases, to attend school at Highland. In this particular case, there are people who have moved to this annexed territory that is now part of the City of Wadsworth because they want to send their children to Highland. While he understands the concerns, he noted that he is against the idea and that the District needs to preserve its current territory. School district boundaries have been in place for decades. New building plans will contemplate this growth.

Mrs. Aukerman reminded the audience that this is the time for the public to speak to the Board and is not the time for making decisions on policy because there is so much more that goes into that. This is a complicated issue and any decision on a matter such as this would require much more discussion and consideration. The first discussion residents should really be having is with the Sharon Township Trustees regarding annexation.

Mrs. Aukerman shared that the District has done some legal research regarding annexation and it is understood that the schools have no jurisdiction.

Melvin O’Malley, Sharon Township resident, said he is also concerned about the Wadsworth annexation. He thanked the Board, administration, and the faculty for the great job they do. He said Highland’s reputation is out there and people want to live in this area and go to school here and it will continue to go this way. He also asked for a status update on land acquisition efforts in Sharon.

Mrs. Aukerman responded that the District is still assessing options. The land that was originally thought to be the solution in Sharon appears to be off the table due
to the nature of the company/industry that might ultimately be constructed on a neighboring parcel. There is uncertainty about the zoning of that parcel and that will lead to significant delays.

Mr. O’Malley asked why land is being purchased. In the original plan for the levy, he was not of the understanding that the Board was going to buy land for these schools.

Mrs. Aukerman clarified that potential land purchases were part of the levy language. She explained that various land acquisition opportunities arose that were deemed in the best interest of the District. In addition, the State recommends 14-16 acre sites for the size of the new school buildings. Current sites are less than half of that size.

Mr. O’Malley questioned the size of the properties to be purchased. Mrs. Aukerman reiterated the State recommendation for site size and also pointed out that the District does not want to duplicate the traffic flow and other issues that currently exist. The District wants to construct buildings on sites that will stand the test of time and provide flexibility for dealing with future growth.

Mr. O’Malley also inquired regarding the potential overcrowding issue caused by annexation and new developments. Mr. Kelly said that the schools have no control over that. He also added that townships unfortunately have very little power to prevent what is happening along the border with the City of Wadsworth.

Dr. Christopher appreciated the feedback and expressed confidence that the Board and administrative team is taking into consideration all of these critical planning issues. He asked for the community’s patience and trust as the District purposefully works through the many variables of this exciting project.

PUBLIC HEARING ON PROPOSED REEMPLOYMENT OF RETIRED INDIVIDUALS

The District also held a public hearing as required by law to provide an opportunity for meeting attendees to comment on the proposed reemployment of Diane Kocab and Darrel Larsen, both of whom retired under the School Employees Retirement System, as bus drivers. The Board plans to take action to reemploy Mrs. Kocab and Mr. Larsen as bus drivers at the December Board meeting.

There were no comments from the public regarding the reemployment of the retirees.

Mrs. Aukerman explained that there continues to be a shortage of bus drivers across the state and country. She noted that the District has not used the retire rehire option very often, but found it necessary given these extraordinary times.

SUPERINTENDENT’S AGENDA

RECOGNITION OF OHIO ART EDUCATION ASSOCIATION NORTHEASTERN REGION’S OUTSTANDING TEACHER AWARD – BONNIE KUBILUS

Mrs. Carrie Knapp, Highland High School Principal, introduced and recognized High School Art Teacher, Mrs. Bonnie Kubilus, as the 2018 recipient of the Ohio Art Education Association Northeastern Region’s Outstanding Teacher Award. Mrs. Kubilus received this honor for her longtime commitment to supporting the visual arts and for her impact on art education throughout the State. She has been an art teacher at Highland High School for the past 22 years and this award honors the professionalism, dedication, and creativity displayed in her art classroom. Mrs. Kubilus was nominated for this distinction from the membership of almost 2,000 art educators statewide. Mrs. Knapp expressed her great pride and shared congratulations.

Mrs. Kubilus introduced her family who was also in attendance.

Mrs. Aukerman offered congratulations to Mrs. Kubilus and expressed her appreciation for the work she does on a daily basis. She is glad to have her as part of the Highland family.

PROPOSED GRADUATION HONORS PRESENTATION – CARRIE KNAPP

Mrs. Aukerman introduced Carrie Knapp, High School Principal, and Jim Addington and Daryn Archer, High School Guidance Counselors. They presented the proposed changes to graduate with honors from Highland.

Currently, there are three honors: Valedictorian, Salutatorian, and top 10% of the class. All honors are based on the student’s GPA as it compares to that of their peers.

The improved system would still have three honors: Summa Cum Laude, Magna Cum Laude, and Cum Laude. All honors would be based on the student’s GPA as it compares to a set standard.

The team feels it is important to make this change, as it is strongly believed that the current system is an invalid metric. There are differences in credit value for College Credit Plus courses versus AP and honors courses, for example.

The current system promotes unhealthy competition between students and sometimes results in students forgoing courses most akin to their interests or classes that would benefit them the most in the future in an effort to inflate their GPA.

Several area districts have already changed to a more equitable system.
New System Recommendations and Timeline

Class of 2019 and beyond:
- Summa Cum Laude: 4.4 and above (includes Top 10%)
- Magna Cum Laude: 4.0 - 4.39
- Cum Laude: 3.7 - 3.99

Class of 2023 and beyond (current 8th grade class):
- Eliminate Valedictorian and Salutatorian

Mrs. Aukerman said the District is looking for ways to recognize and honor more students and discourage efforts to inflate GPA’s through means that are not always in the best interest of the student.

Dr. Christopher noted that results are often dictated by what is incentivized; hence the current situation. He thanked the team for their research and recommendations.
